

BAJA EUROPEAN CHAMPIONSHIP **Sporting rules**

1. GENERAL

The FIM Europe organises the European Baja Championship in accordance to the rules of the FIM Europe Sporting Code and the FIM Europe and FIM Rules, and by the Jury made from the FIM Europe appointed member, Clerk of the Course and one third member appointed at the event, and with particular reference to Baja general regulations as well as to any Supplementary Regulations produced by each organiser.

Bike and Quad Technical rules will be as for FIM (~~not UTV~~):

The Baja Championship will consist of a number of rounds each year which shall be published in the FIM Europe Calendar.

The European Baja Championship consists of a minimum duration of one-day competition (Leg1) and a maximum duration of three days (Leg1-Leg2-Leg3) excluding the Super Special Stage (SSS) / Prologue and the Administrative and Technical check.

Any race of European Baja Championship must include in total at least 100 km (if there is only one race day) and 200 km (if there two-three race days) of special stages (one or more special stages, also repeated, road transfers/liaison are not included) for the whole event.

Regarding the Baja events that expected two-three race days there must be a minimum of 100 km for a race day (one or more special stages, also repeated, road transfers/liaison are not included).
SSS/Prologue, if included, must be at least of 2 km.

In the Baja Special Stage, the use of the road book should not be required. The track must be indicated by appropriate signs. Basically the road book needs to give information to the riders regarding the tracks and the connections to the Special Stages.
However the use of road-book and its equipment is allowed but not compulsory.

If the event is organised on a parc fermé (closed control) system which means that apart from the time spent on the road and the time occupied each day prior to the start the motorcycles, quads and utv are in the custody of the FMNR, until 30 minutes from start of last riders each day, or 30 minutes from releasing machines from PF at the last day of event.

Each day before the start event, riders will be allowed to enter the parc fermé 15 minutes before their starting times for the sole purpose of moving their machines by hand only to the exit of the parc fermé and to enter into the starting area. Rider is not allowed to work on their machine except to install the road book under the supervision of an official.

The first Time Control of day is the start line and the last time control of day is the entry of parc fermé.

At the start of each stage it is compulsory that at minimum, the first 15 riders leave one by one and minute by minute. If parc fermé is adopted, it is allowed for the Clerk of the course to allow more time to each rider if the conditions require.

In the car/motorcycle/quad/~~utv~~ Baja race, the minimum time between the start of the last motorcycle/quad/~~utv~~ and the start of the first car must be at least 20 minutes. However the last bike/quad/~~utv~~ must have covered at least 75% of the special stage before the start of the first car.

The riders will start one by one every one minute.

The transport of motorcycle, quad or utv in a linking sector is forbidden unless exceptionally authorised by the Supplementary Regulations or the Clerk of the course.

The event takes place during the daylight for all riders. It is forbidden to give the start to a Special at night. There must be a minimum 10 day period between any two competitions. Each Organiser must pay the current Inscription fee to the FIM Europe.

2. PARTICIPATION

To participate in the FIM Europe Baja Championship a rider must hold a regular driving licence and have a valid FIM Europe Championship licence.

To participate in the FIM Europe Bajas Championship a Team must hold a regular FIM Europe Team Championship licence issued by the FIM Europe and a start permission of their Federation.

Riders may participate in the events with a National licence and a start permission of their Federation but will not be eligible to score European Championship points.

Bikes, Quads, ~~UTV~~ and their equipment must comply with the National legal requirements for Road Traffic of the country in which the vehicle is registered and with any other rules specified and in the Supplementary Regulations.

Competitors and vehicles in addition to the current FIM/FIM Europe rules must conform to the regulations in force in each locality crossed during the competition. Any competitor convicted of an offence against such regulations may, after an enquiry be disqualified or have other penalties imposed as provided for in the FIM Europe Arbitration and Disciplinary Code.

Trade/Test plates numbers are not allowed.

All machines must comply with FIM Europe/FIM Technical regulations.

Riders who retire from the event on one day may start again the following day providing they use the same machine.

3. SUPPLEMENTARY REGULATIONS AND ENTRY LIST

The Supplementary Regulation (SR) shall contain important local details on such matters as the course, average speeds, safety conditions, entry fee, etc. The organisers must show the FIM Europe and the Promoter logos and their main sponsors in the SR of each race.

It is compulsory to have at least one passage control on each special test unless exceptionally authorised by the Clerk of the course, when there is not a tracking system.

The Organiser must display on a Web site identified in the Supplementary Regulations, the Provisional Entry list including the class and category (European Championship or national) – the official closing day of entries.

4. JURISDICTION

A Jury composed in conformity with the dispositions of the FIM Europe Sporting Code (see Art. 50) will supervise the event.

The FIM Europe Enduro & Rally Commission nominates the Jury President or an Observer.

5. CLASSES

Motorcycles: Overall

Quad: Overall

~~UTV: UTV/SSV – up to 1.200 cc (2x4, 4x4, manual or automatic/ CVT gearshift as list compiled by the person/promoter in charge)~~

~~Go driver is admitted for UTV/SSV but he must hold a regular driving licence and has a valid FIM Europe Championship licence.~~

The women will have no division in classes.

6. ENTRY FEES

Each competitor who wishes to participate in the FIM Europe Baja Championship must pay a One – Off Championship Inscription fee of 80,00 Euros before their first event, which must be paid at the latest at administration inspection to a person appointed by the Promoter, **if there is one.**

The entry fee for each event of FIM Europe Championship shall not exceeded the maximum price limits of 500€ (one day/event included prologue the day before) or 650€ (two or more days/event), to include all taxes, GPS system or similar for the active tracking of the riders, service area at least 25sqm, and a pass for one van and one for mechanic. If the event has double validity for FIM World Cup/Championship and FIM Europe Championship and a rider requests to participate in both, the organiser may increase – the riders entry fee to the same as the FIM entry fee.

Organizers may impose an extra fee of € 50,00 maximum for entries made after the official closing date.

Factory/Manufacturer Team

A One –Off Pre-Inscription fee of 250 euro is payable before the first race by any Factory/Manufacturer who wishes to enter a " One Make" Team in the Championship.

Trade Team or Moto Club Team

A One-Off Inscription fee of 250 euro is payable before the first race by any Trade or Moto Club Team who wish to participate in the Championship.

The payment made to FIM Europe (Factory/Manufacturer Team, Trade Team or Moto Club Team) must be paid at preliminary inspection to the FIM Europe Jury President.

A rider or any of the above Teams can make an inscription at any further rounds with the same procedure and amount.

7. TIME CARD

At the start of each Leg, the riders will receive a time card on which are indicated the times allotted for covering each Road Section and the maximum times authorised for each Selective Section. Each time card will be returned to the timekeeper at the finish of each Leg and replaced by a new time card at the start of the following Selective Section. The rider alone shall be responsible for his time card.

Any correction or alteration to the card which has not been approved in writing by a controller shall result in disqualification from the event.

Presentation of the time card at the various checks and the exactness of the entries thereon shall be the entire responsibility of the rider. Only timekeepers shall be authorised to enter a time on the time card, either by hand or with a time-printer.

Riders are obligatorily required, under threat of penalty which may result in disqualification from the event, to be checked-in on passing all the points mentioned on the time card, and in the order in which they are listed. The absence of the visa to any control whatsoever will result in a fixed penalty, possibly disqualification from the event as indicated in the Supplementary Regulations. These fixed penalties can vary from one Leg to another.

A rider cannot present his time card at a control without his motorcycle/quad.

8. SPECIAL PENALTIES

In addition to the normal penalties these special penalties will apply:

The rider who miss any Time Check of Selective Sections (SS) will be penalised as follow:

- maximum time allowed of the Selective Section (SS) expected in the time card

The rider who started but did not arrive inside the maximum time allowed or who did not finished a Selective Section will be penalised as follow:

- maximum time allowed for the Selective Section + 60 minutes penalty

The rider who arrive at the special stage 30 min's after the ideal time of the last rider will not be allowed to start. The riders can go to parc fermé and restart in the next special stage only after the regrouping. If there no regrouping the riders must stop at parc fermé.

The rider will be penalised as follows:

- the maximum time allowed + 60 minutes penalty for each failed (not run) Sections.

All riders that do not finish the daily leg can restart the next day provided they place their motorcycle or quad in the parc fermé within a maximum time of 60 minutes after the last rider who finishes the daily leg within the maximum time allowed.

This riders will be penalised as follow:

- maximum time allowed for the Selective Section + 60 minutes penalty

At the time checks at the start of a Leg or the start of the Selective Section, the riders are not allowed to clock-in in advance. Any lateness between the true time and the ideal time of clocking-in will be penalised on the basis of one minute per minute.

At the time checks at the end of a Leg as well as in the Parc Fermé at the end of the event, the riders are allowed to clock-in in advance, without penalties.

Up to the closing of the time checks, any lateness between the true time and the ideal time of clocking-in will be penalised on the basis of one minute per minute.

After the closing of the Time Check, the rider will be refused to start for the next SS, but will not entail disqualification.

The Route is divided into Legs that comprise one or several Selective Sections (SS) connected by Road Sections. Throughout the duration of the event, the riders must strictly comply with the traffic regulations of the countries through which the event passes. Any rider who does not comply with these requirements will be penalised as follows:

- 1st infringement: a time penalty equal to 30';
